Our Team

Why are we here

(together in this room)?

- Share practical tools for developing and maintaining partnerships
- Highlight successes and service expansions within the county
- Inspire replication of partnership-based harm reduction models

Community Partnerships are so good!

Address participant
barriers

Trust Building

More access points
to services

Culture and
Representation

Gov't VS Non-Gov't

Opportunity for
growth and funding

How do we get it done?

Developing Community Partnerships

Creating Effective Relationships

Maintaining and Strengthening Working Relationships

Developing Community Partnerships

Connect | Align | Trust

Creating Effective Relationships

Structure | Resource Sharing | Training and Capacity Building

Maintaining and Strengthening Working Relationships

Ongoing communication strategies | Continuous quality improvement
Celebrate partner contributions

What does Partnership look like for HROS?

- Bringing education/prevention beyond government agency walls
- Embedding clinical care access directly within harm reduction spaces
- Increase access points for overdose prevention services + supplies
- Collaboration with non-governmental community organizations

Education + Supplies

How we get supplies and education to more community members

Partners + Distribution

Expanded access to HR supplies

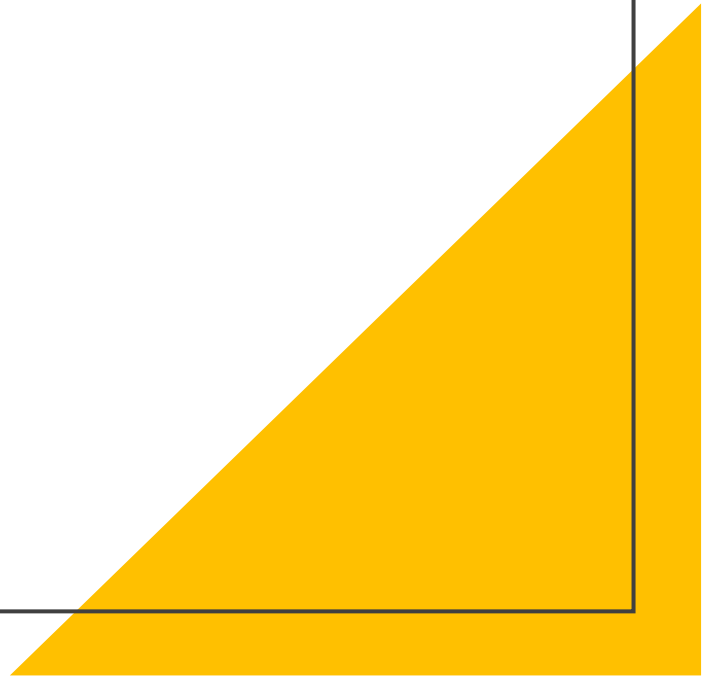

- 2025 + 2026 partnering organizations
 - Safer Sex Supplies → 16
 - Safe Disposal → 10
 - Test Strips → QRT + 5
 - Rescue Breathing Masks → 11
 - IN Narcan → 11

Events and Education

- Community Events + Training opportunities
 - 2025 + 2026 → 48
 - Narcan Administration
 - Safe Disposal
 - HR 101

HealthCare

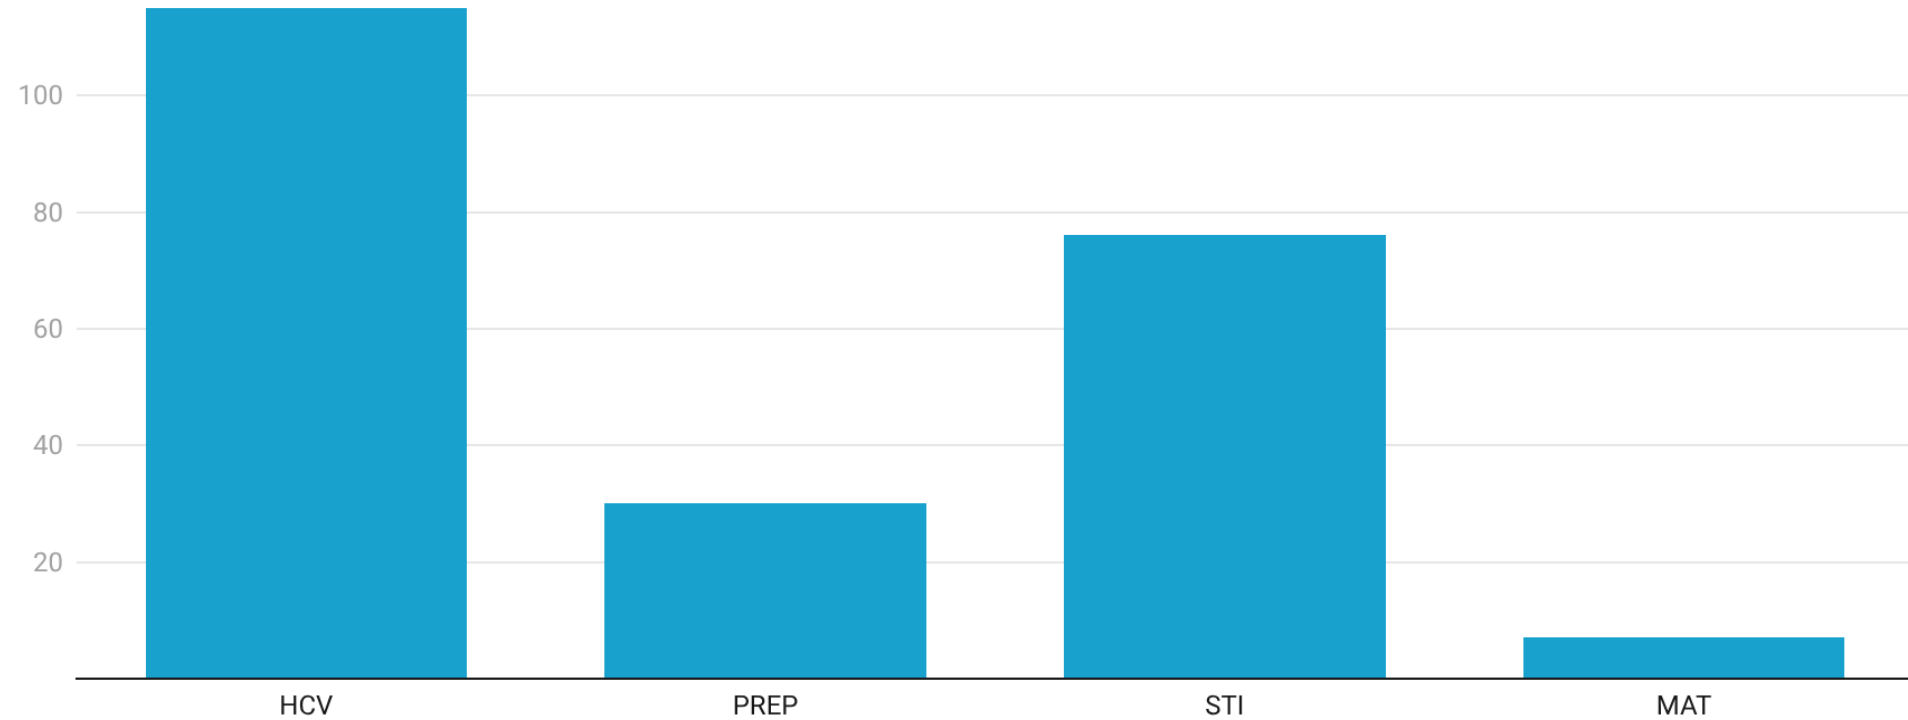

Embed access to clinical services in HROS

Integrated Clinical Care

- **NuLEASE Medical Solutions** embedded in Harm Reduction Outreach Services
 - Offering:
 - HIV, HCV testing + treatment
 - STI testing + treatment
 - Wound Care + onsite prescriptions
 - MAT education, linkage + treatment initiation
 - Insurance Navigation
- Compassionate, comprehensive support that mirrors the relationship and trust HRS has built with participants

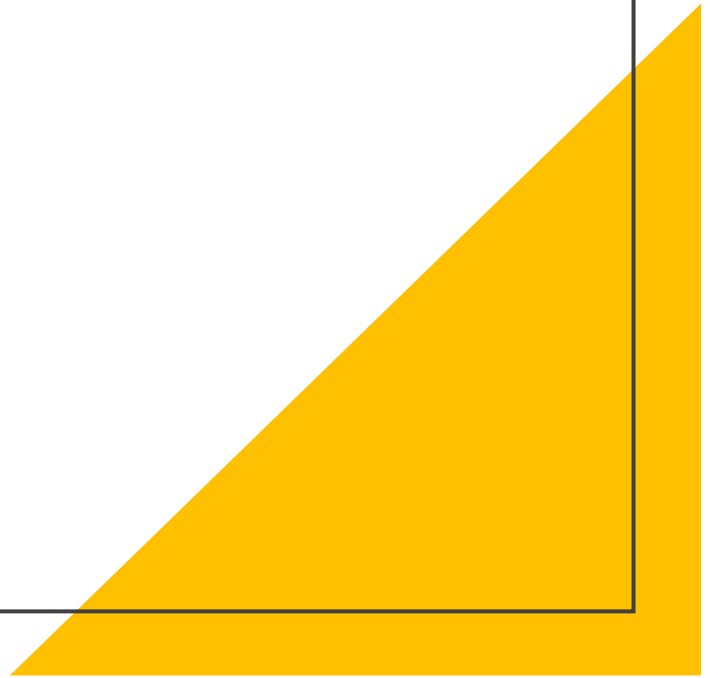

NuLEASE Engagement May 2025-March 2026
