<b>Speaker checklist</b>	<input type="text" value="Used the generic term when referring to drugs"/> <input type="text" value="Presentation was objective and fairly balanced"/>

Participants were actively involved in the learning process through group discussion, Q and A, posttest, case study, simulation and/or problem-solving exercises

**Speaker** Julie Matson

**Presenter disclosed relevant financial interest via handout** Yes

**Speaker checklist**

Used the generic term when referring to drugs

Presentation was objective and fairly balanced

Participants were actively involved in the learning process through group discussion, Q and A, posttest, case study, simulation and/or problem-solving exercises

**Assess Commercial Support**

**Representative on site:** No

**Supporter involvement** No

**Assess Ancillary Activities (Exhibits, Advertising, Promotion, Non-Accredited Activities, Social Events)**

Accreditation standards require ancillary activities to be held outside the education space, or if held in the same educational space, to be separated by a 30 minute interval between the accredited activity and the ancillary activity.

**Did the program include an ancillary activity?** No

**Ticket ID** 37485

**Email** shall@traumanurses.org
