

Managing Diabetes

Presented by:

Dr. Leslie Eber, MD
& Abode Care Partners

Wednesday, April 29th, 2026
11amCST/12pm EST
Abode Care Partners Teams Meeting

After this session participants will be able to:

- Review the American Diabetes Association's recommendations for 2025 for the treatment of diabetes in older adults, including identifying goals of care and associated risks for patients
- Identify strategies to optimize diabetes management in older adults
- Determine when to use GLP-1 receptor agonist and SGLT 2 inhibitor medications in older patients with diabetes
- Review prevention and management of common complications of diabetes

Accreditation

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by UK HealthCare CECentral and Society of Trauma Nurses. University of Kentucky HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME

This live activity is designated for a maximum of *1.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CPE

This knowledge-based activity will award 1.00 contact hour (0.100 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers.

CNE

The maximum number of hours awarded for this Continuing Nursing Education activity is *1.0* nursing contact hours.

If you require special physical arrangements to attend this activity, please contact Penny Logan at (502) 558-2193.

An Equal Opportunity University
