

Antithrombotic Therapy In Post-Acute and Long Term Care: What to treat, what to use and when to stop antithrombotic medications

Presented by:
Dr. Leslie Eber, MD
& Abode Care Partners

Wednesday, March 18th, 2026
11amCST/12pm EST
Abode Care Partners Teams Meeting

After this session participants will be able to:

- Identify the risks of antithrombotic therapy
- Discuss using an anticoagulant medication verses an antiplatelet medication
- Summarize the current guidelines to use antithrombotic therapy for DVT (deep venous thrombosis), PE (pulmonary embolism), A. Fib (Atrial Fibrillation) and Cardiac disease
- Review antithrombotic stewardship and when to deprescribe antithrombotic medications

Accreditation

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by UK HealthCare CECentral and Society of Trauma Nurses. University of Kentucky HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME

This live activity is designated for a maximum of *1.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CPE

This knowledge-based activity will award 1.00 contact hour (0.100 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers.

CNE

The maximum number of hours awarded for this Continuing Nursing Education activity is *1.0* nursing contact hours.

If you require special physical arrangements to attend this activity, please contact Penny Logan at (502) 558-2193.
