

Good Afternoon, Attendees!

Please read the information carefully in order to obtain continuing education credit for yesterday's MCN Oncology Education Special. Attached is the flyer for your reference.

Below are the instructions for obtaining CE credit for your session. **Remember, you must have an account with CECentral at <https://cme.cecentral.com> to obtain credit for this and future sessions.** If you haven't completed this, I wasn't able to pre-enroll you. Reach out to me directly if you need assistance.

MCN Oncology Education Special - Inpatient Management of Cancer-Related Symptoms

How to Claim Credit After the Session

Step 1: Access the Course

Use **one** of the following methods:

- Click the direct session URL link or QR code provided by your coordinator

[Impatient Management of Cancer-Related Symptoms LINK](#)

- Log in to **CECentral** and go to **My Activities > Pending Activities**
- Click the session link in your registration confirmation email

Step 2: Click the Green “Take Course” Button

Step 3: Complete All Required Steps

You will be guided through the following:

- **Session Attendance Code: BECLEH**
- **Session Evaluation**
- **Credit Selection**
 - o Click **Start**
 - o Select the credit type appropriate for your healthcare role
 - o Click **Submit**

Step 4: View Your Awarded Credit

Once you submit your CME credit, you will be recorded and available in your profile for future viewing.

Step 5: Commitment to Change (Optional)

Important Reminders

- You **must complete your profile**. Required fields determine which credit types you are eligible to claim.
- Credit must be claimed **within 60 days** of the activity date.
- For **ACPE credit**, pharmacists must list both the Kentucky Board of Pharmacy and the National Association of Boards of Pharmacy (NABP) on their profiles. Additionally, their credentials must include RPh or PharmD.
- For assistance, contact the **CME Office** at **859-257-5320**
(Monday–Friday, 8:00 AM–4:30 PM EST)
