

Quality Assurance Checklist

A UKHCCEC staff member, activity director, moderator or other qualified designee should complete this form.

Activity Title TOPIC

Activity Date June 15, 2026

CE Representative (name of individual completing this form) Jorie Klein

Number of speakers to review: 3

Presenter disclosed relevant financial interest via handout Yes

Speaker Stephen Flaherty

Presenter disclosed relevant financial interest via handout Yes

Speaker checklist

- Used the generic term when referring to drugs
- If used a trade name, compared and contrasted several products
- Presentation was objective and fairly balanced
- Slides and written materials do not contain any trade names or logos
- If trade names are verbally mentioned, overall presentation still provides balanced perspective
- Participants were actively involved in the learning process through group discussion, Q and A, posttest, case study, simulation and/or problem-solving exercises

Additional Comments:

Dr. Stephen Flaherty is highly knowledgeable of the structure and processes required to implement a successful trauma performance improvement plan to consistently provide optimal outcomes. He is an organized instructor that monitors his time and stays on track.

Speaker Carlos Palacio

Presenter disclosed relevant financial interest via handout Yes

Speaker checklist

Used the generic term when referring to drugs

If used a trade name, compared and contrasted several products
